### 91066-147: Nova Star Well Light, 24v

### Specification Images:

**Collections:** Meridian (Primary)  
Nova Star

Cast Brass Construction

Pre-Greased Beryllium Copper Socket

Cast Brass Grate Included

Stainless Steel Captive Screws

In Ground Mount, ABS Sleeve for Concrete Pouring Included

Tempered Convex Lens

Includes Full Lens Kit

Designed to provide in-ground lighting solutions, the Nova Star well light is ideal for up-lighting a variety of elements, from trees and shrubs to pillars and other vertical structures. The die cast brass grate is a standard accessory designed to minimize glare while the designer lenses allow maximum design control by creating various beam spreads and light output. This series may be recessed in hardscaping applications, such as driveways and foot traffic areas, where an above ground light is not suitable. Perfect for grazing, shadow effects or any up-lighting application.

Use of other manufacturers' components and power management system materials will void warranty, listing, and present a possible safety hazard. Please use caution when specifying lamps by selecting the proper voltage, base type, and wattage lamp when designing and installing any lighting system.

**UPC #:**785652173189

**Finish:** Weathered Brass (147)

### Dimensions:

**Diameter:** 3 3/4"

**Wire:** 300" (color/Brown)

**Height:** 4 1/8"

### Bulbs:

1 - GU5.3 bi-pin halogen MRC16 20w max 24v - included

### Features:

- Designer optical lenses included

### Material List:

1 Construction - Cast Brass - Weathered Brass

### Instruction Sheets:

English (Novastar)
